

Camping

Camping Gravatscha

The site is unique due to its design that is in harmony with nature and to its romantic setting in light woodland. It is in close vicinity to the Lake of Gravatscha and a poly-sportive circular path for joggers, inline skate fans, riders and walkers. In winter, the cross-country runs are just a few steps away.

Further information

Camping TCS

Situated in the heart of the Engadin mountains, directly next to the Flazbach tributary, this campsite offers countless possibilities for unforgettable excursions, both in summer and winter. It is an ideal place to relax for sporty nature lovers, who also enjoy convivial BBQ evenings, as well as a veritable paradise for cross-country skiers. In the winter, prior booking is required due to the great demand.

Facilities include individual wash cubicles with hairdryer, washing machine, waste discharge point for camper vans, shop, snack bar,

caravans for hire, Wireless LAN and an Internet corner. There is also plenty of opportunity for entertainment and sport; on-site facilities include a children's playground, recreation room and table tennis. while nearby guests can also enjoy mountain biking (bike rental), tennis, golf, minigolf, squash, horse riding, fishing, cross-country skiing, alpine skiing, curling, winter hiking trails and numerous events.
